- Home Assignment - Record your music video

# **Welcome To Drama** **Online Learning**

# Review of last lesson

# What Do You Need To Put Together A Film?

- Camera & Equipment
- Plan
- Writers
- Story or Ideas
- Actors
- Film Crew
- Set & Locations
- Costume & Makeup
- A Budget

# What's a Monologue?

- A speech made by an actor
- Talks to him/her self or audience
- Talk about their thoughts out loud

# Why are monologues important?

- They give us a look inside the mind and heart of the character.
- They are a great tool to use for dramatic effect.

# Easy way to remember monologue

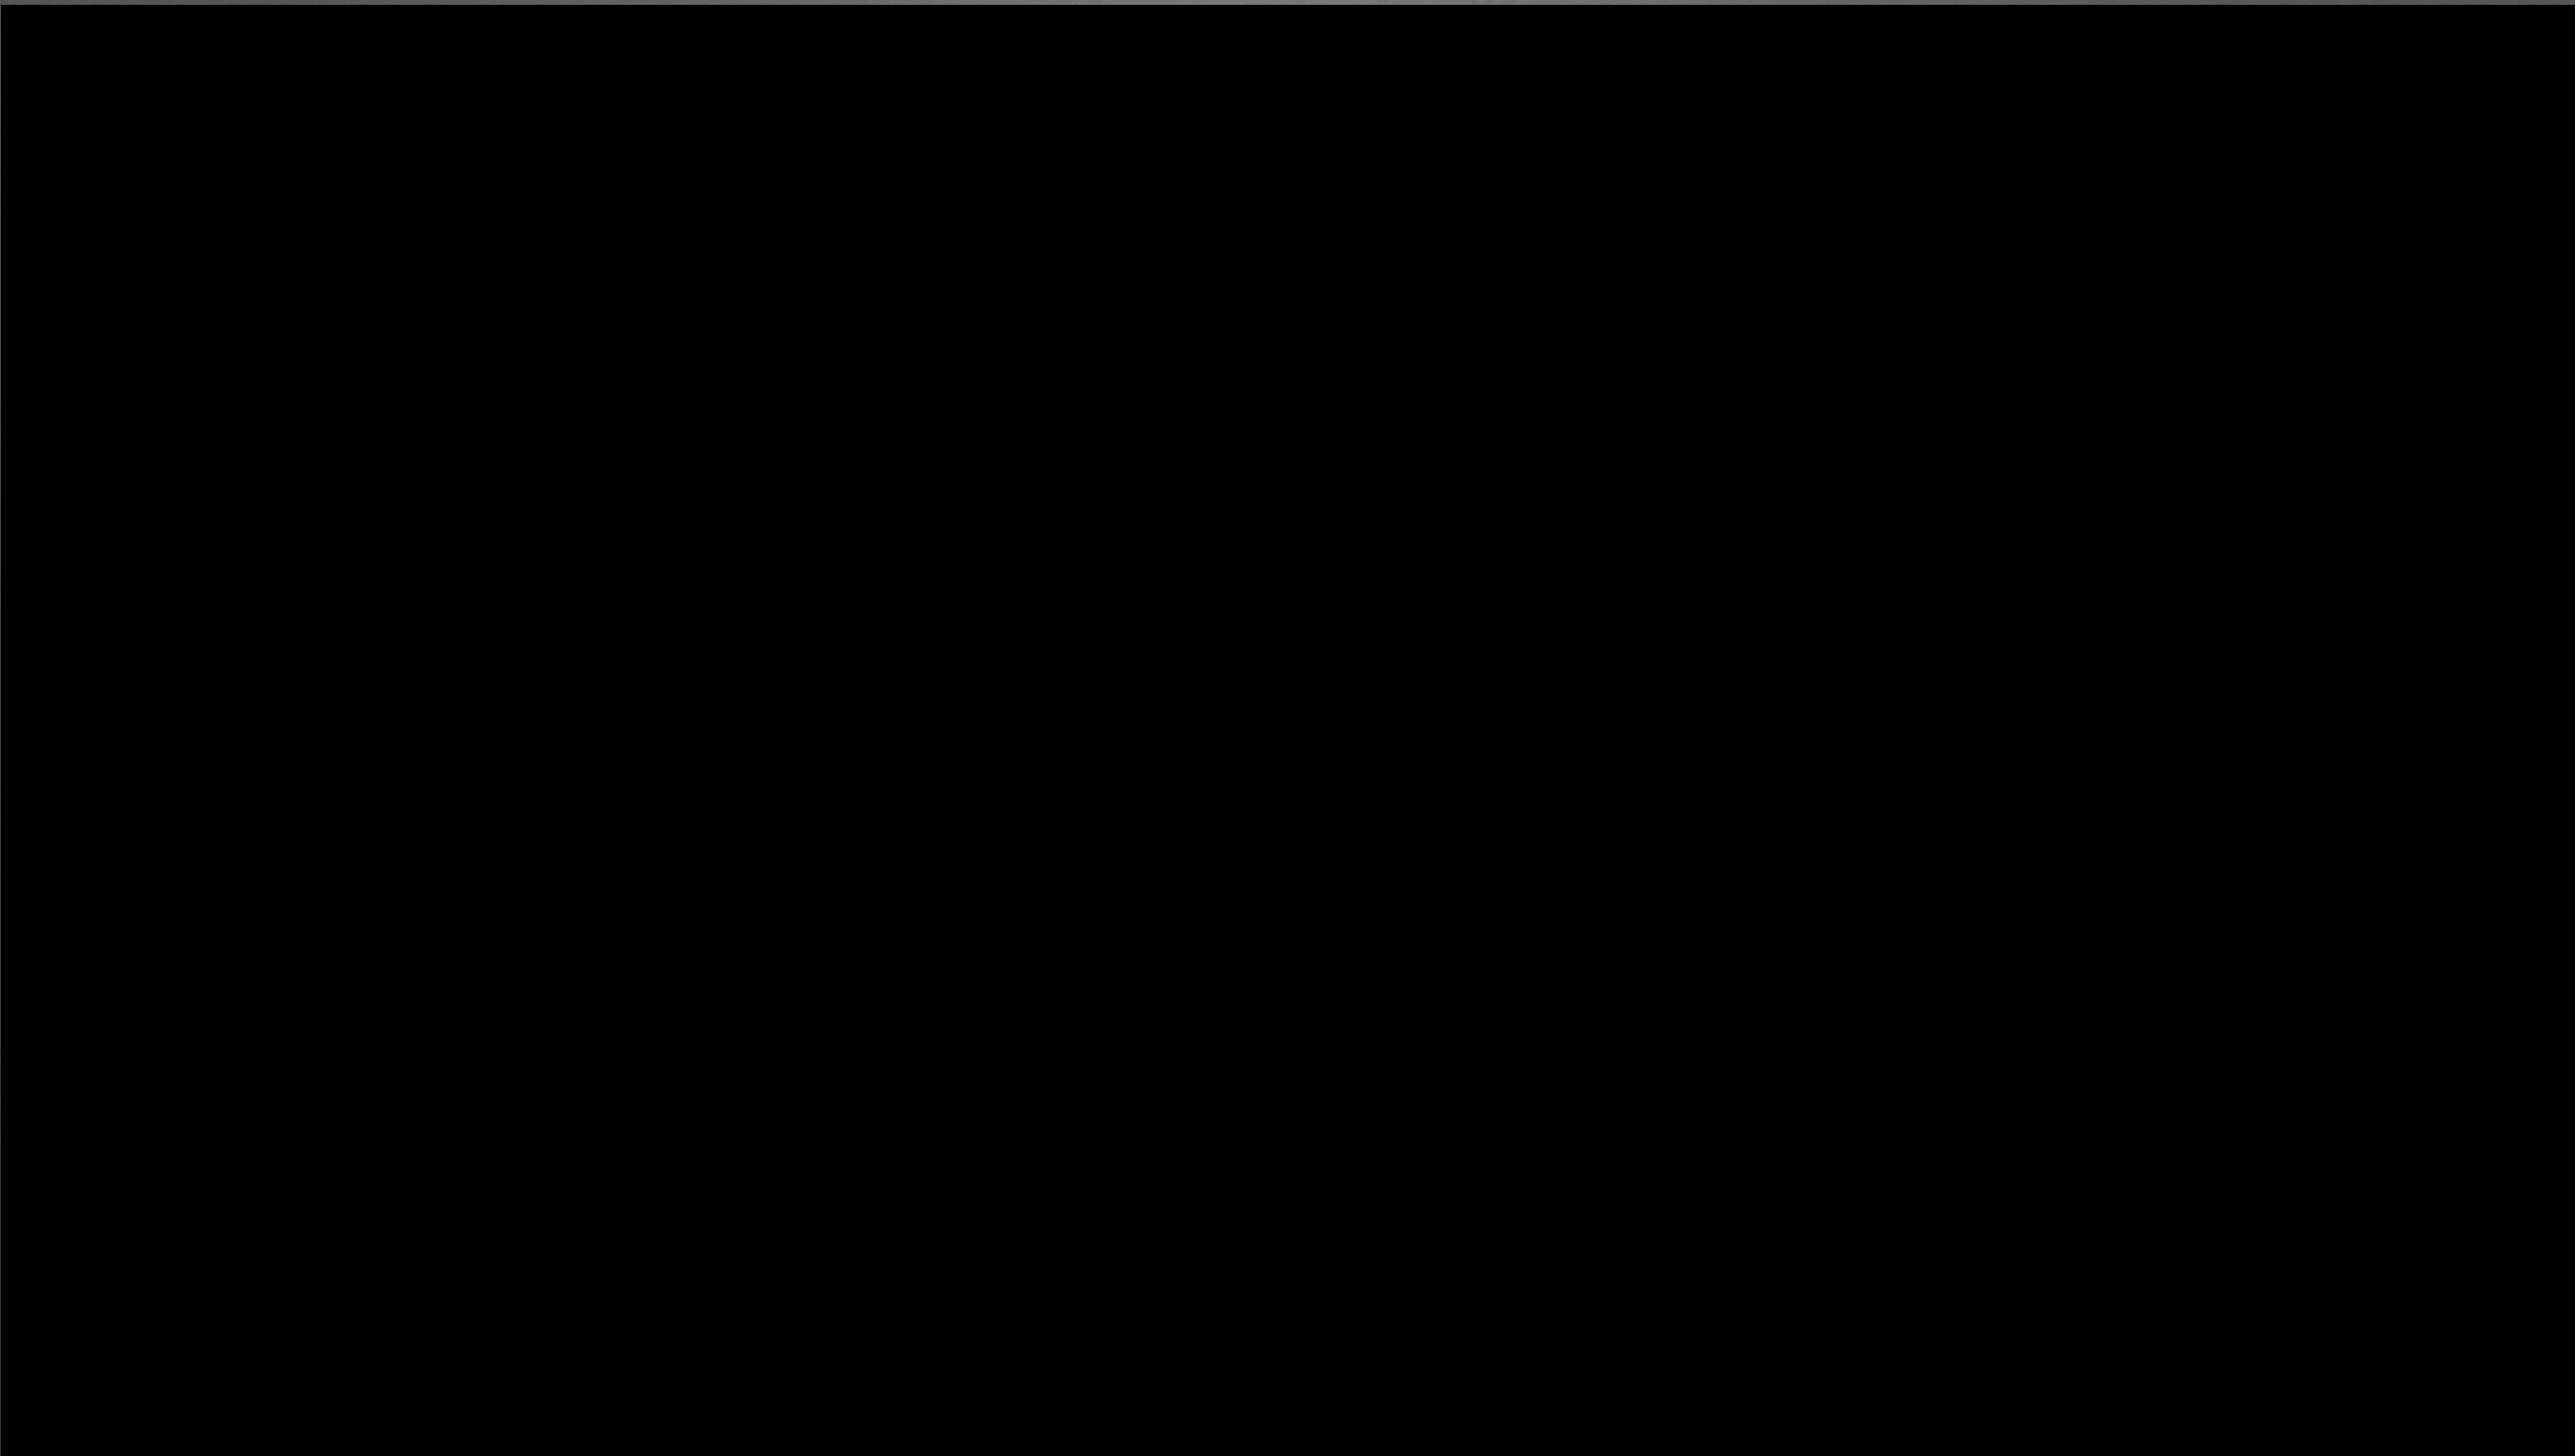

- Mono = one
- Logue = to speak
- Together it = Monologue, which means one person speaking

# Unit 2. Class 7.

Improvisation.

# Improvisation

# What is Improvisation?

- Making or doing something without planning
- Creating a story without writing it down
  - Requires an active imagination

# What can we improvise?

- Music
  - Paintings
    - Plays & Performances
      - Life

# Next time you want to make your performance more interesting

- Add an improvised act or two to boost your performance.

# Planning Your New Project

# Music Video Project

- Make some edits to your script
